Neighbourhood Information Meeting - Proposed Official Plan and Zoning By-law Amendments (276 King Street East)

Date and Time: Wednesday, April 28 06:30 p.m. - 8:00 p.m.

The applications propose to change the Official Plan and Zoning By-law to the property to be redeveloped with a 7-storey mixed-use building. The ground floor would be for commercial use, while the upper six storeys would be for residential units. The application also requests to not require any parking for the residential units (note that the current zoning does not require parking for the commercial use).

This meeting is your opportunity to:

- Learn more about the proposed applications and how the process works
- Let City staff know your thoughts on the proposal
- Ask questions of City staff and the applicant

For more information and to RSVP, please visit our website.
