Dear Honourable Doug Ford,

### **Re: Bill 68, Plan to Protect Ontario Act, and ERO Posting 025-1257**

At the January 12, 2026, Regular meeting, Stratford City Council considered resolutions from the Upper Thames River Conservation Authority and the Long Point Region Conservation Authority regarding Bill 68 and ERO Posting 025-1257 relating to the proposed boundaries for the regional consolidation of Ontario's conservation authorities.

At the meeting, Stratford City Council adopted the following resolution:

R2026-21

**THAT CA-2026-007, being resolutions regarding Bill 68: Plan to Protect Ontario Act, be endorsed.**

A copy of the endorsed resolution has been provided below:

**WHEREAS** the Conservation Authorities Act (1946) enables municipalities to establish local conservation authorities, and when municipalities choose to form such authorities, they assume responsibility for governance and funding through the appointment of a Board of Directors and the provision of an annual levy to cover expenses;

**AND WHEREAS** the City of Stratford established the Upper Thames River Conservation Authority (initially formed in 1947);

**AND WHEREAS** local municipalities currently provide approximately 35% of total conservation authority funding, while the Province of Ontario provides approximately 2% (2026 budget);

**AND WHEREAS** municipalities have governed their respective conservation authorities for decades, tailoring programs and services to local watershed needs, maintaining accountable service standards, and ensuring fair and predictable costs for ratepayers;

**AND WHEREAS** conservation authorities collectively own and manage thousands of acres of land. Many of these properties were entrusted to the UTRCA for long-term protection, stewardship, and the public good, with the expectation that such lands would be cared for by locally governed conservation authorities;

**AND WHEREAS** Bill 68 (Schedule 3) proposes the creation of the Ontario Provincial Conservation Agency, a Crown corporation that would assume governance responsibilities and consolidate Ontario's 36 conservation authorities into seven regional authorities, with municipal cost apportionment yet to be defined;

**AND WHEREAS** the Province already possesses the authority to establish overarching legislation, regulations, and standards through the Conservation Authorities Act and the Ministry of the Environment, Conservation and Parks;

**NOW THEREFORE BE IT RESOLVED THAT** the Council of The Corporation of the City of Stratford calls on the Government of Ontario to maintain local, independent, municipally governed, watershed-based conservation authorities to ensure strong local representation in decisions related to municipal levies, community-focused service delivery, and the protection and management of conservation lands;

**AND FURTHER THAT** while the City of Stratford supports provincial goals for consistent permit approval processes, shared services, and digital modernization, imposing a new top-down agency structure without strong local accountability and governance risks creating unnecessary cost, red tape, and bureaucracy, thereby undermining efficiency and responsiveness to local community needs;

**AND FURTHER THAT** the City of Stratford supports efforts to balance expertise, capacity, and program delivery across the province, and requests that the Province work collaboratively with municipalities and local conservation authorities to determine the most effective level of strategic consolidation to achieve both provincial and local objectives;

**AND FURTHER THAT** a copy of this resolution be sent to:

- the Ontario Minister of Environment, Conservation, and Parks,
- local MPPs,
- Association of Municipalities of Ontario,
- Rural Ontario Municipal Association,
- area Indigenous communities,
- all municipalities,
- Conservation Authorities, and

Dear Prime Minister

Re: Support for the City of Welland's Call to Action for Justice and Protection of Canada's Children

At their Regular Meeting of Council on January 15, 2026, the Council of the Town of Aylmer endorsed the following resolution:

Whereas the Town of Aylmer supports the City of Welland's call to action for justice and protection of Canada's children; and,

Whereas the safety and well-being of children is a fundamental responsibility shared by all levels of government; and,

Whereas recent incidents involving sexual offences against children have deeply affected communities across Ontario and Canada, raising serious concerns about public safety and the adequacy of existing legislative protections; and,

Whereas violent sexual crimes against children represent some of the most serious offences under the Criminal Code of Canada and have lifelong impacts on victims, families, and communities; and,

Whereas municipalities play a critical role in advocating for policies that protect residents and promote safe communities; and,

Whereas there is a growing concern that gaps in bail, sentencing, parole eligibility, and offender monitoring allow high-risk individuals to re-enter communities pre-maturely, placing children at continued risk;

Now therefore be it resolved that the Council of the Town of Aylmer formally urges all levels of government to review and strengthen legislation and policies related to violent and sexual offences against children, including but not limited to:

1. Bail and Sentencing Provisions - ensuring that individuals charged with or convicted of violent sexual offences against children are subject to the strictest possible bail conditions and sentencing outcomes that reflect the severity of these crimes;
2. Parole and Early Release - limiting parole eligibility, statutory release, or other forms of early release for offenders convicted of sexual offences against children who pose ongoing risks to public safety;
3. Sex Offender Monitoring - strengthening the National Sex Offender Registry and related provincial tools to improve accuracy, enforcement, and timely access to information for law enforcement; and
4. Victim and Community Safety - prioritizing the protection of children and community safety within the justice system above administrative or procedural efficiencies;

And be it further resolved that copies of this resolution be forwarded to:

The Premier of Ontario  
The Attorney General of Ontario  
The Solicitor General of Ontario  
The Prime Minister of Canada  
The Minister of Justice and Attorney General of Canada  
Member of Provincial Parliament, Rob Flack  
Member of Parliament, Andrew Lawton  
The Federation of Canadian Municipalities (FCM) and;  
All 444 Ontario Municipalities

And be it further resolved that Council encourages municipalities to adopt similar resolutions to work collaboratively to present a unified municipal voice advocating for stronger protections for children across Canada.

Yours sincerely,

**AND WHEREAS**, with large urban centres now looking in rural areas of our province and entire country for lands to bury their garbage waste;

**AND WHEREAS**, a large landfill site owned by a large urban centre which receives 50% of their garbage at the present time is expected to be full by 2029 creating more environmental impacts;

**AND WHEREAS**, continuing to bury garbage in the ground will result in our future generations having lost potable groundwater as a result of garbage leachate rendering it unusable;

**AND WHEREAS**, burying garbage, particularly organic waste in landfills, leads to the production of methane a greenhouse gas, which escapes into the atmosphere and contributes to climate change causing more environmental destruction;

**AND WHEREAS**, we continue to destroy our environment jeopardizing our future generations;

**AND WHEREAS**, we have worldwide technology that will allow us the use of clean incineration and also produce much needed electric energy;

**AND WHEREAS**, German schools often integrate recycling education into their curriculum. This early exposure to the importance of recycling instills a sense of responsibility in the younger generation, creating a culture of sustainability that transcends generations;

**Re: Motion Regarding the Saugeen Valley Conservation Authority**

At the January 5, 2026, Regular Council meeting for the Town of Saugeen Shores, the following motion was passed:

**Resolution 010-2026**

**Moved by:** Councillor D. Myette  
**Seconded by:** Councillor R. Stack

**Whereas** the Saugeen Valley Conservation Authority “The Authority” was established in 1950, 75 years ago by a group of municipalities, as a response to problems associated with flooding; and

**Whereas** the Town of Saugeen Shores is the single largest member by apportionment in this collection of 8 member municipalities, comprising of the main channel and mouth of the Saugeen River at Southampton. The Town of Saugeen Shores is the largest contributor of annual levies that cover the operation of the Authority; and

**Whereas** the member municipalities cover 44% of the operational costs of the SVCA, 7% coming from the Provincial funding and the remaining is generated through internally generated revenue and permitting fees; and

**Whereas** the fees charged by Conservation Authorities have been frozen for 3 years which has had the effect of shifting the financial burden onto levies and by extension the property tax payers; and

**Whereas** the Provincial Conservation Authorities Association (Conservation Ontario) has and continues to provide the respective Authorities with guidance, oversight, and consistency of regulation application; and

**Whereas** the development of the “Agency” is proposed to be funded by municipalities and serves only to add another layer of Government bureaucracy, which by definition will serve only to increase financial burden on member Municipalities; and

**Whereas** one of the stated objectives of the “Agency” is development of a single digital permitting platform. This approach will serve to alienate a significant portion of our residents who do not have access to internet services, due to rural location or due to religious beliefs; and

**Whereas** the SVCA is located in a primarily rural geographic region, that due to the proposed consolidation of 7 Authorities will be seemingly overshadowed by much larger and more densely populated authorities with much larger urban components; and

**Whereas** the SVCA has worked hard to achieve a streamlined and efficient operation and service delivery model, due in large part to the direct oversight by a Board comprised of member municipalities appointed elected officials; and

**Whereas** the proposed consolidated Huron-Superior Authority would be comprised of up to 80 municipalities, 23,000 sq/km and by extension, a Board of Directors that would be so large as to be unmanageable, and would surely result in smaller rural municipalities losing direct control over the operation of the Authority; and

**Whereas** the inclusion of Lakehead Region CA in North West Ontario, could have detrimental repercussions arising from travel distance and geographic differences alone; and

**Whereas** the Saugeen Valley Conservation Authority owns and manages thousands of acres of CA land, many of which are income generating, through user fees, land leases, managed forest harvest, and campground fees. The Amalgamation plan does not address how these assets, which by extension belong to member Municipalities, would be equitably divested. Many of these properties were granted to the Authority, specifically detailing the nature and terms of ownership which legally must be maintained going forward; and

**Whereas** Authorities across the province have liquid assets in the form of trusts, and reserves that belong to member municipalities which run the risk of being swallowed up by large Authorities with larger budgets and resources.

**Town of Saugeen Shores**  
600 Tomlinson Drive, P.O. Box  
820  
Port Elgin, ON N0H 2C0

**Now Therefore, be it Resolved** that the Town of Saugeen Shores requests that the Amalgamation into the "Huron Superior Regional Conservation Authority" as outlined in ERO 025-1257 be reconsidered. This in order to maintain the local oversight and protect against as yet unforeseen consequences which will serve to undermine the SVCA's ability to provide regional knowledge-based service delivery and management of properties under our stewardship and ownership; and

**Further** ensure that should the amalgamations go forward that consideration be given to grouping Rural Authorities with similar watershed characteristics together, while grouping more Urban Authorities together for similar reasons; and

**Further** ensure that any transitional costs are fully funded by the Province and not borne by member Municipalities, and that Municipalities are provided with clear funding models in 2026 so as to allow for sufficient planning data for the 2027 budgets; and

**Further** that Saugeen Shores Council urges the Province to engage with affected municipalities and First Nations communities in a meaningful way to collaboratively review the service delivery model and standardize only where necessary paying attention to the different needs of Rural and Urban Authorities. That the Province use this approach rather than develop another level of administration and the associated financial burden that would surely result; and

**Finally** that this resolution be included in the Municipalities ERO response and be forwarded to the:

- Premier of Ontario;
- Minister of Environment Conservation and Parks;
- Bruce County Council;
- All of Ontario's Municipalities;
- Huron Bruce MPP/ Minister of Rural Affairs;
- The board of Rural Ontario Municipal Association;

To Mayors and Chairs of Police Service Boards in Strong Mayor Power Municipalities,

We are writing to provide information on the powers and roles of municipalities, mayors, and police service boards in establishing a police service board budget, particularly in municipalities with Strong Mayor Powers.

In a strong mayor municipality, the Head of Council has the responsibility to prepare and propose the municipal budget on or before February 1 of each year, which would be subject to a council amendment, head of council veto and council override process.

This municipal budget includes estimates of amounts required during the year, including any amounts required for boards, such as the police service boards budget established in accordance with the *Community Safety and Policing Act, 2019* (CSPA). **The Head of Council's strong mayor budget powers do not include the power to limit police service board budget increases or veto estimates submitted by police service boards.**

The CSPA provides the purposes for which the funding is to be provided to a police service board, establishes a process for submitting budget estimates, municipal approval of such a budget, and the mechanisms available to address disagreements.

Under section 50 of the CSPA, a police service board must submit their operating and capital estimates to the municipality, which is then responsible for establishing an overall budget for the police service board. **Although municipalities are not required to adopt the board's estimates as submitted, they cannot approve or reject specific line items within the estimates.** Municipalities are required to provide police service boards with sufficient funding to comply with the CSPA and its regulations, as well as pay the expenses of the board's operation, excluding remuneration for board members.

There are dispute resolution mechanisms established under the CSPA to address situations in which a police service board is not satisfied that the budget is sufficient to permit the board to comply with the legislation and pay for the board's operation.

The CSPA provides two dispute resolution pathways: the board and municipality may jointly apply to the Commission Chair of the Ontario Police Arbitration and Adjudication Commission (OPAAC) to appoint a conciliation officer, or the board may give the municipality written notice referring the matter to arbitration.

In arbitration, a municipality can argue, among other things, that costs could be reduced if the board entered an agreement to receive services from another police service. If the municipality can show that the board could reasonably have obtained policing services under an agreement (under section 14 of the CSPA, with another police service board or the Commissioner of the Ontario Provincial Police) at a lower cost while still meeting applicable standards, the arbitrator cannot deem the budget insufficient to the extent of the amount that could have been saved by entering into the agreement.

For example, if a police service board seeks funding for a \$15 million policing budget, and the municipality can demonstrate that equivalent services meeting all standards could have been provided through a budget at \$13 million, where some services are provided pursuant to an agreement with another police service, in this case, the arbitrator could not find the budget insufficient to the extent of the additional \$2 million.

Following arbitration, the municipality shall amend the board's budget to reflect the arbitrator's decision.

Thank you for your continued leadership and commitment to protecting our communities. Please consider this information as you work toward establishing police service budgets.
