Westheights Park Natural Area: Community Workshop #2

Date and Time: Tuesday, November 26 7:00 pm - 8:30 pm

Please join us at our second community workshop about the Westheights Park Natural Area. There will be opportunities to give your input on the Draft Management Plan and ask questions.

For this meeting, we will follow a drop-in approach. You can attend anytime between 7 and 8:30 p.m. as there will be no formal presentation.

Instead, there will be different tables you can move around to with display boards set up to illustrate the draft plan. Learn more about the priority actions and restoration activities identified through Dance Environmental's studies. We will also share the public feedback we received from our previous workshop.

If you cannot attend, there will be a summary shared on the project page after the event.

Wednesday, November 27, 2024

Economic Development Advisory Committee

Date and Time: Wednesday, November 27 11:00 am - 1:00 pm

Short-Term Rental Bylaw information session

Date and Time: Wednesday, November 27 1:00 pm - 3:00 pm

We are considering options for licensing properties used as short-term rentals. This may include platforms such as AirBnB and VRBO. Licensing and regulating rental properties protects the public interest as it relates to: consumer protection, health and safety, and nuisance control.

Learn more and share your feedback on the current licensing framework, the challenges and opportunities short-term rentals offer, and different licensing options. Each session will include a brief presentation from the City of Kitchener and from the City of Waterloo. A Policy Manager from AirBnB will also attend virtually.

Free to attend, but space is limited. Please register in advance
